What is BCCLS?

BCCLS, the Bergen County Cooperative Library System, is a consortium of 77 public libraries in northern New Jersey. By county, there are 62 in Bergen, 10 in Essex, 4 in Hudson, and 1 in Passaic.

Is it easy to get a library card?

It's easy and free! You can apply online or register in person. With proper identification, your home library will provide you with a free library card. If your town is not a BCCLS member or does not have a library, check with any BCCLS library for local pay card and courtesy card policies.

Municipalities without libraries are not eligible for BCCLS-wide services. This applies to residents of Alpine, Englewood Cliffs, Moonachie, Rockleigh, Saddle River, South Hackensack, Teterboro, and Woodcliff Lake in Bergen County as well as Essex Fells and North Caldwell in Essex County.

How do I borrow materials?

Once you have your library card, you can visit and borrow from any of the 77 BCCLS libraries and 81 locations.

You may search www.bccls.org 24/7 and with your library card place requests for any of the more than 5,800,000 items available within the BCCLS system.

If available, your items will be delivered within a matter of days to any BCCLS library by our state-sponsored delivery system and you may return your materials to any BCCLS library.

Summaries and reviews are available to help you make your selections. You can post your own reviews too!

If you need assistance, your local librarian can help you get the materials you want.

How many items may I borrow and for how long?

Each library determines its own borrowing limits and loan periods.

What can I borrow from the library?

You can borrow books, magazines, newspapers, DVDs, CDs, audiobooks, video games, software, and more. Downloadable eBooks, audiobooks, digital magazines and streaming movies, TV shows, and music are also available online.

What if something I want isn't currently available?

You can request materials online from the BCCLS catalog or ask your librarian to place a request for you. You'll be notified when the material becomes available.

What if the material I want isn't available in a BCCLS library?

Your home library can try to obtain the material you've requested from outside the BCCLS system. This service may take more time and may incur a fee.

What kinds of downloadable and streaming content are available?

Digital content is available free with your BCCLS library card anytime, anywhere you are connected.

Content includes digital magazines, eBooks, audiobooks, video, music, and TV shows.

Visit www.bccls.org for details.

How do I renew materials?

The easiest way to renew materials is from the BCCLS website using "My Account". You can also renew in person or by telephone.

How do I get an online account?

To set up your online account, visit any BCCLS library to create a password. You can change your password at any time through "My Account".

With your online account you can view and update your account information, review what you currently have checked out, renew items that are eligible for renewal, check for fines, and more!

Can I set up a username for my account?

You can create a username to simplify logging in to your online account. Log in to your online account, view "My Record", and enter a username under "Change Logon".

Can I use my library card outside the BCCLS system?

BCCLS cardholders sixteen years and older who are Bergen County residents are also eligible to borrow materials from Bergen Community College.

Does BCCLS have a mobile app?

You can connect to the BCCLS catalog on your mobile device, search for materials, request items, renew items that are eligible for renewal and even send call numbers via text message to your cell phone to assist in locating items.

How can I find what events are happening at my library?

Through BCCLS' calendaring software, you can see the events scheduled at many BCCLS libraries. Some require registration, some are for residents only, and many are open to all.

Are there any materials in languages other than English in the BCCLS catalog?

You can find books, movies, magazines, and newspapers in a selection of languages*: Russian • Korean • Japanese • Spanish • Chinese • Polish • and more!

* Check with your local library for availability

How can I find out about my hometown library?

You can find information about every BCCLS library, including links to their websites at www.bccls.org. Additionally, you can sign up for a library's eNewsletter from the BCCLS website.
