ReferenceUSA Jobs & Internships Module

*Start searching for your next career now.
It's fast and easy!*

1. Login to ReferenceUSA through a subscribing library.
2. Click on the U.S. Jobs and Internships Database.
3. Use Quick Search to search for a job using a keyword or City, State, Zip Code.
4. Use Custom Search for more detailed searching. Search by exact phrases, keywords, companies, types of jobs, salary estimates, location and even how long ago a job posting was created.
5. On the Search Results page, click on the 'Job Title' to learn more about the job and even apply online.
6. To learn more about the hiring company, click on 'Company Name'. This will link to the business profile within ReferenceUSA if available in our database. The search results also include the city and the date the job was posted.
