

Special Populations Task Force Language Skills Survey

Article Number: 1432 | Rating: 5/5 from 2 votes | Last Updated: Mon, Apr 30, 2018 at 8:13 PM

The Special Populations Task Force recently sent out a Language Skill Survey to promote the numerous languages spoken by our BCCLS colleagues. We are pleased that over 60 responded with 21 languages represented. We have a tremendous amount of talent in our library system, and this affords the opportunity to provide the best services to our communities. We have attached this list which provides the names and contact information for multilingual library staff throughout BCCLS. Each individual has included how they might be able to assist. Thank you to all who responded.
